OUR VISION & MISSION

To build on the tradition of an energetic, prosperous downtown where residents gather for a multitude of cultural activities. Our downtown features performance and entertainment venues, outdoor events, residential living and a diverse blend of historic and emerging businesses.

Just as our founders did 150 years ago on THE STREET OF TEN FRIENDS, our residents embrace

the passion of preserving downtown Victoria which reflects an evolution of generations who have poured their hearts into creating our community.

Through leadership and the use of the Main Street Four Point Approach, the Victoria Main Street Program will ensure that downtown contributes to the community's overall QUALITY OF LIFE by providing opportunities for economic growth as well as for entertainment and personal enjoyment.
